

1ST BNSS **CADAVER WORKSHOP** ON LUMBAR DEGENERATIVE SPINAL SURGERY

— LIÈGE, SART TILMAN, MARCH 30TH 2012 —

**Belgian Neurosurgical
Spine Society**

WHO SHOULD ATTEND ?

Residents involved or interested in spinal neurosurgery. This first meeting will help them to become familiar with the different approaches to the spine, but also allow them to use and compare the tools of some of the major spinal instrumentation providers on the same day.
